

ACTION PLAN

2013

Foreword

This action plan 2013 is based on the strategic plan 2012-2014 which the EUDY board drew up in 2011 and was ratified by the General Assembly in Madrid, Spain. This action plan has the same areas mentioned in the strategic plan and the action points are comprised of those mentioned in the strategic plan. This makes the action plan a sort of summary of the strategic plan, a handbook which will guide EUDY's board and its working groups through 2013!
